Lake Erie
 WATERKEEPER®

Lake Erie has the Great Lakes Warmest, Shallowest, Fishiest Waters
 lakeeriewaterkeeper.org 419-691-3788 sandylakeerie@aol.com

Mission Statement: “To preserve, protect, and improve the watersheds, waters, and fish of Lake Erie ,the Great Lakes’ warmest, shallowest, most biologically productive lake, and to increase public awareness through collaboration, education and advocacy.”

Summary Strategic Plans / Goals

- A. To preserve and to improve the ecosystem in Lake Erie and its watersheds including St. Joseph’s, Tiffin, Upper Maumee, St. Mary’s, Auglaize, Blanchard, Lower Maumee, Cedar-Portage, Sandusky, Huron-Vermillion, Black-Rocky, Cuyahoga, Ashtabula- Chagrin, Grand, Central Basin North Shore Tributaries, Ottawa-Stony, and Raisin.
- B. To document the history of t Lake Erie including its rivers, streams, bays and aquatic life.
- C. To educate and create a support group(s) for the Lake Erie watershed. .
- D. To protect and improve aquatic and water related species and habitat
- E. To provide for short and long term planning for dredge disposal facilities.
- F. To review Lake Erie watershed permits and comments
- G. To conduct education and outreach promoting the value of the Lake Erie watershed including sports fish species like walleye, yellow perch, and bass.

Meetings, generally 2nd Thursday of each month at 7:00p.m. at the Toledo Yacht Club 3900 N. Summit – near Coast Guard Station - check website. All meetings are open. Website: westernlakeerie.org
